

Imagine being able to put a smile on the face of a child in need.

The Kawartha-Haliburton Children's Foundation can help make that happen.

The Foundation raises and disperses funds for children living in our community who are receiving assistance from Kawartha-Haliburton Children's Aid Society. We want them to enjoy the simple pleasures that most children simply take for granted.

Support and involvement within our community is crucial!

We want them to feel loved.

We want to give them hope.

We want to make them smile.

We can do this with your help.

You can help a child smile by sending them to camp for a one-week positive experience that will allow them to discover nature, meet new friends, learn new skills, and feel good about themselves through our Summer Camp Program.

You can help to build a child's self-esteem by sending them to music or dance lessons, by enrolling them in sports leagues, by purchasing sports equipment, or by sending them on school trips through our Child Development Fund.

You can help a young adult follow their dreams and achieve their goals by helping to send them to College or University through our Margaret Davies Bursary Fund.

The Foundation's primary focus is to assist those who need our help the most - our children and our youth. If you would like to find out more about how you can help these children, please visit our website or contact Deb Aben, Executive Director at:
