Independent Auditor's Report

To the Directors of
Kawartha-Haliburton Children's Foundation

Qualified Opinion

We have audited the accompanying financial statements of Kawartha-Haliburton Children's Foundation (the Foundation), which comprise the statement of financial position as at December 31, 2019, and the statements of operations, changes in fund balances and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Foundation as at December 31, 2019, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Qualified Opinion

In common with many not-for-profit organizations, the Foundation derives revenue from donations and fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the Foundation. Therefore, we were not able to determine whether any adjustments might be necessary to donation and fundraising revenues, excess of revenues over expenses, and cash flows from operations for the years ended December 31, 2019 and 2018, current assets as at December 31, 2019 and 2018, and net assets as at January 1 and December 31 for both the 2019 and 2018 years.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Foundation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Kawartha-Haliburton Children's Foundation

Notes to Financial Statements

December 31, 2019

1 .Significant Accounting Policies

Nature and Purpose of Organization	<p>The foundation is a non-profit organization incorporated on March 4, 1982 without share capital under the laws of Ontario. The foundation was formed to generate and manage donation funds and other gifts to enrich the quality of life of children found in need of protection by the Kawartha-Haliburton Children's Aid Society.</p> <p>The foundation is a registered charity and, as such, is exempt from income tax and may issue income tax receipts to donors.</p>
Basis of Accounting	<p>The financial statements have been prepared using Canadian accounting standards for not-for-profit organizations.</p>
Fund Accounting	<p>The foundation follows the deferral method of accounting for contributions and uses fund accounting.</p> <p>Revenues and expenses related to program delivery and administrative activities are reported in the Operating Fund.</p> <p>The Restricted Fund reports contributions for special purposes which are internally restricted. Investment income earned on resources of the Restricted Fund is reported in the Restricted Fund.</p> <p>Endowment contributions are reported in the Endowment Fund. Investment income earned on resources of the Endowment Fund is reported in the Endowment Fund, depending on the nature of any restrictions imposed by contributors of funds for endowment.</p>
Revenue Recognition	<p>Restricted contributions are recognized as revenue of the appropriate fund in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue of the appropriate fund when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.</p> <p>Restricted net investment income is recognized as revenue of the appropriate fund in the year in which the related expenses are incurred. Restricted net investment income that must be added to the principal amount of resources held for endowment is recognized as a direct increase in net assets. Unrestricted net investment income is recognized as revenue when earned.</p>

Kawartha-Haliburton Children's Foundation

Notes to Financial Statements

December 31, 2019

1. Significant Accounting Policies (continued)

Contributed Materials and Services	<p>Contributed materials and services which are used in the normal course of the foundation's operations and would have otherwise been purchased are recorded at fair value at the date of contribution.</p> <p>Volunteers contribute many hours per year to assist the foundation in carrying out its activities. Due to the difficulty of determining their fair value, contributed services are not recognized in the financial statements.</p> <p>These financial statements do not reflect the substantial value of gifts donated by the community as part of the Santa's Sleigh, due to the difficulty in determining their fair value.</p>
Financial Instruments	<p>Financial Instruments are recorded at fair value at initial recognition.</p> <p>In subsequent periods, investments are reported at fair value, with any change in fair value reported in income. All other financial instruments are reported at cost or amortized cost less impairment. Transaction costs on the acquisition, sale or issue of financial instruments are expensed for those items measured at fair value and charged to the financial instrument for those measured at amortized cost.</p> <p>Financial assets are tested for impairment when indicators of impairment exist. When a significant change in the expected timing or amount of the future cash flows of the financial asset is identified, the carrying amount of the financial asset is reduced and the amount of the write-down is recognized in net income. A previously recognized impairment loss may be reversed to the extent of the improvement, provided it is not greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously, and the amount of the reversal is recognized in net income.</p>
Tangible Capital Assets	<p>The foundation's average annual revenues for the preceding two years is less than \$500,000 and, as a result, the foundation is not required to record tangible capital assets and amortize the costs over their estimated useful life. Tangible capital assets are not recorded in the statement of financial position. Tangible capital assets are expensed in the year they are acquired.</p>

Kawartha-Haliburton Children's Foundation Notes to Financial Statements

December 31, 2019

2. Investments

Investments are comprised of the following:

	<u>2019</u>	<u>2018</u>
Short-term investments:		
Cash and money market funds	\$ 24,626	\$ 20,174
Long-term investments:		
Fixed income	461,136	430,026
Canadian equity funds	133,712	115,085
United States equity funds	33,621	54,180
Foreign equity funds	51,967	44,339
	<u>680,436</u>	<u>643,630</u>
	<u>\$ 705,062</u>	<u>\$ 663,804</u>

3. Interfund Loans

Interfund loans bear no interest, are unsecured and have no terms of repayment.

4. Deferred Contributions

Deferred contributions represent restricted operating funding received in the current period that is related to expenses of a subsequent period.

Deferred contributions are comprised of the following:

	<u>2019</u>	<u>2018</u>
Bursary program	\$ 40,000	\$ 50,000
Cooking Toward Independence grant	5,736	-
Ignite the Spark	3,750	-
	<u>\$ 49,486</u>	<u>\$ 50,000</u>

Kawartha-Haliburton Children's Foundation Notes to Financial Statements

December 31, 2019

5. Interfund Transfers and Internal Restrictions on Net Assets

During the year, the foundation's board of directors approved the transfer of \$18,648 of investment income from the Endowment Fund to the Operating Fund in order to fund cash outlays for general operating expenses.

During 2014, the foundation's board of directors approved the creation of a Restricted Fund, which is a budget stabilization fund to be held to offset future operating deficits. During the year the board of directors transferred \$17,341 from the Operating Fund to the Restricted Fund. These internally restricted amounts are not available for other purposes without approval of the board of directors.

6. Fundraising Events

During the year, fundraising events generated revenues and expenses as follows:

	Revenue	Expenses	2019 Net	2018 Net
Dreamball	\$ 104,299	\$ 59,946	\$ 44,353	\$ 55,625
Axe Throwing	15,717	356	15,361	13,144
Other	3,568	2,600	968	-
	<u>\$ 123,584</u>	<u>\$ 62,902</u>	<u>\$ 60,682</u>	<u>\$ 68,769</u>

7. Related Party Transactions

The Kawartha-Haliburton Children's Aid Society is a child protection agency mandated under the Child, Youth and Family Services Act in Ontario and is responsible for the care and protection of children in the Cities of Peterborough and Kawartha Lakes and the Counties of Peterborough and Haliburton. Kawartha-Haliburton Children's Foundation generates and manages donation funds and other gifts to enrich the quality of life of children found in need of protection by the Kawartha-Haliburton Children's Aid Society. As the foundation's purpose is integrated with that of the Kawartha-Haliburton Children's Aid Society, the two organizations are related.

Kawartha-Haliburton Children's Aid Society owns the building in which the foundation operates. Office space is provided to the foundation on a rent-free basis. No amount related to these transactions was recognized in the financial statements.

Kawartha-Haliburton Children's Foundation Notes to Financial Statements

December 31, 2019

8. Financial Instruments

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The foundation is exposed to credit risk arising from all of its bank accounts being held at one financial institution.

There have not been any changes in the risk from the prior year.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The foundation is exposed to market risk through its investments in quoted shares and mutual funds. The foundation manages market risk through asset allocation and maintaining a portfolio that is well diversified on both a geographic and industry sector basis.

There have not been any changes in the risk from the prior year.

9. Subsequent Events

On January 30, 2020, the World Health Organization (WHO) announced a global health emergency because of a new strain of coronavirus, the "COVID-19 outbreak". In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve throughout the world including Canada. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the impact on the foundation will not be known with certainty for months to come.

Although the foundation cannot estimate the length or gravity of the impact of the COVID-19 outbreak at this time, if the pandemic continues, it may have a material adverse effect on the foundation's results of future operations, financial position, and liquidity in fiscal year 2020.
